

2018 ACCR Renewal Notice

This is the last week to renew on time without late penalty. Specifically, licenses expire this Sunday, September 30, 2018. ABCR has a high audit rate with 1/3 selected for audit every year rather than the standard 10% of some Boards in Alabama. Please ensure you allow adequate processing time for your renewal in the event you are randomly selected for CE Audit. Although licensees have a late renewal option with late fee, it does not provide for working past September 30th with an expired license. If you are planning on working next week, it is extremely important to renew right away.

In order to renew, go to www.abcr.alabama.gov (click, "Renew Here" on the homepage) or go to the following link: <https://www.alabamainteractive.org/abcr/welcome.action>

Please have the following available when renewing on-line:

1. ACCR (License) Number;
2. Last four (4) digits of your Social Security Number;
3. Printer Availability (for printing your renewed certificate);
4. Payment Method (Visa, MasterCard, Discover, American Express, or electronic check).

Payment receipts will be e-mailed by Alabama Interactive to the e-mail address provided by the licensee when renewing. For any technical issues with the on-line renewal application, please contact Alabama Interactive at 866-353-3468. For continuing education information, please see ABCR Rules and Regulations Chapter 257-X-6 - Continuing Education at the following link: http://www.abcr.alabama.gov/PDF/2017/Rules_Regs_effective_05-25-2017.pdf.
