

Broadcast e-mail – July 12, 2010 – ABCR Newsline Available

The 2010 issue of ABCR Newsline is now available. In this edition, you can find an update of all the activities this year and coming soon like, legislation, CEU's, licensure examinations, proposed amendments to rules and regulations, and more. Also, ABCR is now on facebook and our web site now posts all broadcast e-mails by date under the newly added "News" tab at the top of the home page. We hope you find this news information beneficial. Our intention is to make it as easy as possible to stay current on ABCR information. Life is complicated enough - we can at least simplify our current events by only requiring one click of the mouse.

Also, I would like to personally thank all of those who have renewed early. I really appreciate your conscientiousness and professionalism in doing so. I thank you and I appreciate you.

Sincerely,

Paula "Scout" McCaleb
Executive Director
